Dear Parents and Carers,

Reinforced Autoclaved Aerated Concrete (RAAC)

As you will have seen reported in the media on Thursday, the Department for Education (DfE) has published updated guidance for schools who have confirmed Reinforced Autoclaved Aerated Concrete (RAAC) in their buildings.

The Active Learning Trust can confirm that none of their academies including Chantry Academy have been affected by this, and none of their academies are among those who have been contacted by the DfE. Therefore, we are looking forward to welcoming back all students and staff to start the new term as planned.

Yours sincerely

C D'Cunha
