31 January 2023

Dear Parents and Carers,

### **Student Toilets**

As you will be aware, Chantry Academy is fortunate enough to have had its additional buildings open since 2022, including our new East Wing with the library and indeed the specialist Peile Centre.

With this expansion, the site now has seven toilet blocks that need regular spot checks and cleaning. Although the Academy has amended cleaning rotas where needed and indeed appointed additional staff where possible, it is not easy to keep on top of seven toilet blocks during the day and maintain the high standards we expect.

As a result, we will open and close certain toilet facilities at points throughout the day to ensure they are well staffed, and cleanliness is maintained.

Please note:

- a) At least five toilet blocks will be open at all times
- b) All disabled toilets will remain open at all times
- c) The toilets near the teaching rooms will be open during lesson times
- d) The toilets near social spaces will be open during break and lunchtimes
- e) Each building will have available toilets

I hope this answers any questions you may have on this matter.

Yours sincerely

***R Hanson***
