Dear Parents and Carers

Year 11 End of Term arrangements

As we are now entering the final phase of your child's education here at Chantry Academy, I would like to share my appreciation to Year 11. I am very proud of the commitment they have shown to their studies, as they continue to work towards their final assessments.

We would like to ensure all parents/carers are aware of key dates and support we are offering students to prepare for the remaining examinations.

All students are expected to be in school each day up until **Friday 26 May 2023**. This will be the students' last compulsory day in school, and we wish this to be a celebration of their time here. At 2pm, Year 11 will attend a leavers' assembly in the auditorium. The event will finish at 2.30pm and students will be dismissed to return home.

After the 26 May Year 11 students have the choice to attend their usual timetabled lessons, in full school uniform or use the time for directed studies at home. To ensure this time is used successfully all students attending lessons in school will be expected to bring with them suitable resources from which to revise. On occasion students may not be in their normal lessons because they are in an external examination or attending a revision session for an examination which is to be taken later that day or the following morning. Staff continue to work hard to prepare all students to be successful. In order to ensure the best possible outcomes for all students and secure excellent results it is vital that we continue to build on all of the hard work and do not lose the momentum in the final few weeks. Can I therefore ask for your full support in encouraging your son/daughter to attend any additional revision sessions on offer. These will be organised over the coming weeks to supplement the interventions already taking place in the regular school day.

We will also be providing a uniform drop off option on Friday 16 June 2023 if you would like to donate, blazers and ties to be used as spares for other students.

May I take this opportunity to thank you for all your support during the school year. We wish the Year 11 students the very best of luck in their remaining examinations.

Yours sincerely

C D'Cunha
